## CLASS CANCELLATION/NO SHOW POLICY:

We know that life happens. That is why we are proud to offer you the most accommodating cancellation policy. However, because classes are limited in size and often depend on your participation, if you cannot attend class, call us at 215-674-3917 at least **48 HOURS BEFORE** the class and we will give you credit towards a future class. If you cancel after this time or miss a class, no refunds or credit will be given but you can have the class homework. If there is a waiting list for the class you cancel and we can fill your space, we will give you credit towards a future class. If you are unable to attend class, you may send someone in your place. Refunds will only be given if we cancel the class. I have read and understand this agreement.

## WAIVER

I understand that attendance at a dog training class is not without risk to myself, members of my family or guests who may attend, or my dog, because I recognize the inherent risk related to participation in dog obedience training and because some of the dogs to which (we) will be exposed may be difficult to control and may be the cause of injury even when handled with the greatest amount of care.

I hereby waive and release Pabby's Pet Pantry, its officers, employees, members and agents from any and all liability of any nature, for injury or damage which I or my dog may suffer, including specifically, but without limitation, any injury or damage resulting from the action of said dog, or any other dog, and I expressly assume the risk of any such damage or injury while attending any training session or other function of the center, or while on the training grounds or the surrounding area thereto.

In consideration of and as an inducement to the acceptance of my application for training or attendance by my dog(s) and/or me at any function at this center, I hereby agree to indemnify and hold harmless Pabby's Pet Pantry, its officers, employees, members and agents from any and all claims by a member of my family or any other person accompanying me to any training session or function of the center or while on grounds or surrounding area thereto as a result of any action by any dog, including my own, or for any other reason. I have read and agree to abide by the policies of Pabby's Pet Pantry summarized below:

- Dogs must be on-leash and under control at all times.
- All dogs must have proof of vaccinations and a signed waiver on file before participating in any events.
- All handlers must clean up after their dogs at all times anywhere on the property.
- No unapproved dog-dog interactions. Every handler must keep his/her dog away from other dogs unless they have specifically asked the other handler if the dogs can interact at that time.
- Females in heat will not be allowed to participate in the basic classes. At the instructors discretion, females in heat will be allowed to participate in advanced classes when a trail or event is not scheduled within 2 weeks. The instructor must be informed at least 2 days prior to class. This rule will allow advanced dog/handler teams to proof against this type of distraction with the guidance of the instructor.
- Any dog that an instructor deems to be highly disruptive, unruly or dangerous can be excused from group classes at any time. The handler will be referred to private consultations and a refund for the remaining classes will be given.
